### YOU TURNED ME OVER

Lyrics & Music: Anzy Heidrun Holderbach

Reggae: 5.a 3.e 5.E (d g A)

1) There was a rough idea of you in my head  
about what I was told.  
I went away somehow and anyway  
and closed my heart light-minded.

REF 1: But then you simply turned me, simply turned me, simply turned me over,  
you simply turned me over, over and over again

2) You're crashlanded in the middle of my heart  
no words left – no need for words  
I looked into your eyes and landed straight into your heart  
I looked into your eyes and landed straight into your soul

REF 2: Cause of your silence and wildness,  
ravishing beauty, terrifying nearness,  
the mind-blowing nearness of you

BRIDGE: But this time, oh, this time I won't run away  
this time, yeah, this time I stay

### FLYING KITES

Lyrics & Music: Anzy Heidrun Holderbach

Capo 2 INTRO / ZW / OUTRO: 7. FmJ7, 3. FmJ7, 5. Barée G+H+E Saite

A A-3.Finger G A  
1. I'd like to write a song about all that I feel for you,  
A A- A- G A A  
but it's hard to find right words for that, cause maybe they wouldn't be true.  
A A- A- G A A  
Take all the written lovesongs and poems of the world  
A A- G A A  
maybe then you could discover the essence I'm talking about.

F G C G  
BRIDGE: And this song is for you and I'm sure you know it  
a e a A  
that I mean you, my true love  
F G C a

REF: And when we look into each other's eyes we establish long missed ties  
F G a  
back to our roots deep inside ourselves.  
F G C a  
And then we know it for sure: You are me and I am you.  
F G a G A  
When we look into each other's eyes we are flying kites... flying kites

2. I see myself in you and I'm excited cause this is true  
Watching myself move seems like you're walking in my shoes  
And like the coloured kites in the sky, our soul is going to fly  
and we hold each other's hands and our hearts begin to dance

your wild heart brought to heel

your soul, now, is their vital meal

And you should really care, because it's about you
