 D D A A
 Riding on a summer's day in a camper van
 C C G G
 keeps me smiling all the way while drinking from a can
 D D A A
 Lush green meadows are rolling past, sheep are everywhere
 C C G A
 cattle graze and clouds run fast all I need is here
 h h h G
 This is my life, that's the way, I need a break-up?
 h h D A
 Tell me, for fuck's sake, where's the next pub?

REF:

G G A A D D h h
 Find a shack, drink a black, eat a snack, have a chat with everyone
 G G D A A 2x D A C G D D
 then even the rain feels like a summer sun

2

Sitting in a cozy pub by the open fire D D A A
 catching goossips from around by an old coal miner C C G G
 The fire wood is spitting low, the plints run down the throat D D A A
 Tunes are played and songs come up, I sing the one I wrote C C G A
 This is my life, that's the way how I love it h h G G
 Tell me, for fuck's sake, how to keep it? h h D A

REF

3

Sitting on my smallish farm by the Atlantic sea D D A A
 Keeps me smiling all day long while the cat rests on my knee C C G G
 Lush green meadows far and wide, sheep are everywhere D D A A
 my cattle graze and clouds run fast, all I need is here C C G A
 This is my life, that's the way I was made for h h G G
 Tell me, for fuck's sake, what you'd need more? h h D A
